The filled reply form can be returned to the Workshop secretariat via email as well as via mail before 7th January 2011.

Thank you very much in advance!

Invitation

The Faculty of Chemical Technology takes the great pleasure to invite you to the Workshop

Advanced Oxidation Processes for Water Treatment in Vietnam

13th – 14th January 2011
Hanoi University of Science and Technology

Supported by

Deutscher Akademischer Austausch Dienst
German Academic Exchange Service
Scope of the Workshop

From 13th to 14th January 2011, the Faculty of Chemical Technology (FCT) of Hanoi University of Science and Technology (HUST) will host an Workshop on Advanced Oxidation Processes for Water Treatment in Vietnam, continuing the series of DAAD Alumni Workshop supported by the German Academic Exchange Service (DAAD).

Organizers aims to provide a scientific platform for participants from academic, as well as from industrial field and NGOs to report about their successful projects, to exchange their knowledge, point of view and unique experiences related to Advanced Oxidation Processes. Especially, The Workshop would substantially contribute to the implementation of cooperation preproject VNM10/A05 funded by the German Federal Ministry of Education and Research (BMBF) between Faculty of Chemical Technology at Hanoi University of Science and Technology and Institute for Material Science at Dresden University of Technology (TUD) in Germany.

Our distinguished guest speakers: Prof. Dr. G. Cuniberti and Dr. K. Kühn from Dresden University of Technology will deliver plenary lectures.

Organization Committee

- Dr. Nguyen Van Xa, HUST
- Assoc. Prof. Dr. Mai Thanh Tung, HUST
- Dr. Tran Trung Kien, HUST
- Dr. Nguyen Minh Tan, HUST

Venue

Vietnam – German Centre (VDZ)
Hanoi University of Science and Technology
1 Dai Co Viet Road - Hanoi

Language

English and Vietnamese
